ABOUT CHIMERA STUDIOS

OUR SERVICES

We're a small web design company offering great websites, graphic design, logos, SEO and printed media at superb prices.

All of our websites:

- ✓ Are certified to meet the strict W3C standards for web design and development
- ✓ Work in the latest version of all major web browsers
- ✓ Are structured with CSS (no tables)

All prices include:

- ✓ All graphics, icons & stock photography
- ✓ Free support (phone and email)
- ✓ Your own dedicated place on our servers to view your website as it progresses
- ✓ Prominent feature on our site

Fixed prices are quoted upfront on all services so you always know the final price.

Please browse our site and contact us if you would like a free quote or have any questions.

Thank you
